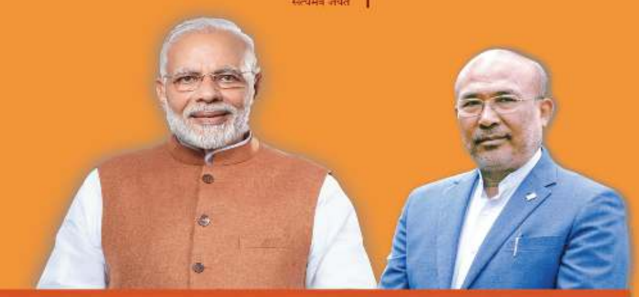
Emerging MANIPUR
MARCH | 10 | 2021

4 years of citizen centric governance



CLEANLINESS DRIVE - BAN ON SINGLE USE PLASTICS

SWACHH BHARAT ABHIYAN
DRIVE FOR 100 DAYS, 2021
"CLEAN MANIPUR, HEALTHY MANIPUR"
"Eikhoigi Puwarai Nambul Turel"

ACHIEVEMENTS SO FAR

- Manipur declared ODF State - One year ahead of the National deadline under Swachh Bharat Mission (Grameen) on 2nd October 2018.
- Jiribam awarded as Cleanest City in NE Zone in 2020 for achieving 100% waste collection.
- All 27 ULBs initiated door to door waste collection with source segregation - 61% coverage.
- All 27 ULBs notified prohibiting single use of plastic and below 50 microns thickness.
- Jiribam applied for ODF+ and GFC (Garbage Free City) Star Rating certifications - 1st town in NE States.
- Four Solid Waste Management Plants at Block Level have been constructed.
- Don Bosco School, Maram bagged 1st and 3rd position consecutively in the year 2018 and 2019 at National Level Swachh Bharat Summer Internship - Honored by the Prime Minister of India at Rashtrapati Bhawan, New Delhi.

Department of MAHUD
LET'S SAY NO TO PLASTIC BAGS
before it's too late
91%
of plastic isn't recycled

ACTION PLAN AHEAD

- Targeting 100% Door-to-Door coverage with source segregation of waste collection by March 2022.
- Establish 5 Regional Waste Management Plants on cluster basis during 2021-22.
- ICT based Smart Waste Management System Project in Imphal under implementation.
- Seventeen more Solid Waste Management Plants at Block Level are under construction.
- Sixteen Grey Water Management Units at the Village level are under construction as a pilot project.
- A special year-long Waste Mangement IEC campaign - "MY MANIPUR" to be flagged off in March 2021.
- Waste to Energy Plant at Lamdeng - Commissioning (100 MTD to 1 MW) - Grid synchronization
