HEALTH AND NUTRITION CAMPAIGN

ACHIEVEMENTS SO FAR

Chief Minister Hakshelgi Tengbang (CMHT) & Ayushman Bharat

6.7 lakh beneficiaries enrolled and 76,000 beneficiaries received free treatment. 172 Health & Wellness Centres (HWCs) upgraded. Patients attendance increased from 57,304 (2017-18) to 177,587 (2019-20). Screening and treatment of Non-communicable diseases, Palliative and Geriatric Care etc. started.

Pradhan Mantri Surakshit Matritva Abhiyan (PMSMA)

Free antenatal checkups for 40,632 pregnant women were done with involvement of 15 registered private volunteer doctors and "Mironbising Gi Khudol" is an innovation under PMSMA targeting the hard to reach areas.

Under Child Health, three special New Born Care Units (SNCUs) at District Hospitals Churachandpur, Ukhrul and Thoubal are functional. One Nutrition Rehabilitation centre (NRC)N and Kangaroo Mother care (KMC) Resource Centers were established.

Rashtriya Bal Swasthya Karyakram

486 children under 18 years had been operated for Congenital Heart Diseases.

National Viral Hepatitis Control Program

Two Model Treatment Centres (JNIMS and RIMS) and 14 (fourteen) District Treatment Centres are functional.

Pradhan Mantri National Dialysis Program (PMNDP)

Free dialysis is functional in 7 districts of Manipur (Imphal West, Imphal East, Bishnupur, Churachandpur, Chandel, Thoubal, Senapati). 16920 Haemodialysis sessions conducted.

ACTION PLAN AHEAD

- Ministry of Health & Family Welfare approved setting up of a 100 seat State Medical College at Churachandpur.
- 52 Health & Wellness Centers will be centrally inaugurated by the Hon'ble CM on 15th March, 2021.
- Establishment of State New Born Resource Center at JNIMS by April, 2021.
- Dialysis Units to be established at District Hospitals Ukhrul, Tamenglong and Sub District Hospital Moreh.
- Menstrual Hygiene Scheme will be launched by Hon'ble CM on 15th March on 2021.
- Hepatitis B treatment will be started in RIMS and JNIMS.
- Nutri-gardens and tree corners will be developed in all the 11510 Anganwadi centres.
- 46040 Growth Monitoring devices will be provided to all 11510 Anganwadi Centres.
- 16 Anganwadi Centres will be upgraded into Model Anganwadi Centres.
- 3000 additional number of Unique ID for persons with Disabilities will be generated online.
